# Dear friends,

Thank you for downloading this digital booklet, which provides more information about CBN's mission to Europe and Eurasia. It also includes how you can pray for us.

Prayer fuels the mission of CBN. Without it, we would be like a rudderless ship – cruising aimlessly towards an unknown destination. As we pray, we recognise our limitations and ask God for His direction, His wisdom, and His provision. We want to fully align with His mission of reaching, redeeming and reconciling His people with His divine love. Praying is being fully connected to the true vine, who we know is Jesus! Apart from Him, we can do nothing.

On behalf of all our volunteers, trustees and staff, I would like to express my gratitude for your crucial contribution to our mission. Your prayers and support are not just a part of what we do; they are a cornerstone of our work. Through your prayers and generosity, practical help and hope are offered to the people in every country where we work.

As we join in prayer, I am filled with anticipation for a greater harvest in God's Kingdom. I am also expectant to see the fulfilment of Revelation 3:8 in Europe and Eurasia, "I have placed before you an open door that no one can shut."

Being a part of a larger community, let's unite in faith and boldly declare Matthew 19:26:

**With God, ALL things are possible!"**

In Jesus,

*Mark Dijkens  
Regional Director  
CBN Europe - Eurasia*

# WHO WE ARE

## Making Jesus known across Europe & beyond!

Welcome to CBN Europe – the central hub for CBN's mission to Europe, Eurasia and Australasia.

We are part of CBN's global ministry, sharing the Gospel and preparing disciples through media evangelism, discipleship, and humanitarian outreach.

Thanks to the prayers and support from supporters and friends like you, we are united in sharing a message of hope and life to those who desperately need to hear it. Your support is invaluable to us, and we are deeply grateful for your partnership in this mission.

A key scripture, from Matthew 24:14, is engraved above the main entrance of CBN's headquarters in Virginia Beach, USA: ***"And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come."***

We can't preach the Gospel to all the world on our own, or in our own strength. We are so thankful for faithful CBN Partners like you, and for the many churches, ministry organisations, broadcasters, and volunteers who help us daily and work together in God's great mission field!

Jesus says in Matthew 28:19–20: ***"Therefore, go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely, I am with you always, to the very end of the age."***

Everything we do is rooted in God's love for us. He sent His one and only Son, Jesus, into the world not to condemn it, but to save it. Jesus gave His life so that we could have eternal life—not just for ourselves, but to share this gift with others. This mission is often referred to as the Great Commission, which is the reason behind our actions!

# WHAT WE DO

CBN has established offices and teams in the United Kingdom, the Netherlands, Portugal, Germany, Poland, Croatia, Ukraine, Central Asia and Russia. We collaborate closely with various churches and partner ministries to further CBN's mission throughout the region in several key areas:

## MEDIA MINISTRY

At the heart of CBN's mission is our broadcast ministry. In Europe alone, we broadcast Christian programming in 19 languages, reaching audiences across Europe, the former Soviet Union, Russia and Australasia.

Programmes such as the 700 Club, featuring testimonies and news; Christian World News; Superbook; and our Israel programmes are making a daily impact on viewers. CBN's animated Bible series Superbook is translated into 30 languages in the region and continues to grow!

We collaborate with various broadcasters who air our programmes through satellite, cable television, terrestrial television and online platforms. Together, we are sharing hope in Jesus with many homes and hearts – touching lives for eternity!

## PRAYER MINISTRY

Our prayer centres in the United Kingdom, Germany and Ukraine are receiving many calls, emails and text messages from viewers who watch our programmes on television or online. Our team of staff and dedicated volunteers have the privilege of praying with many callers, sharing the Gospel message with them, and providing follow-up resources to help people grow in their faith.

## HUMANITARIAN MINISTRY

Operation Blessing is the humanitarian arm of CBN. Its mission is to bring help and hope to a hurting world by empowering people in need through compassionate, Christ-centred relief and development programmes. In Europe and Eurasia, we collaborate closely with churches and partner ministries on key initiatives such as hunger relief, medical care, disaster relief and child development projects. Along with our faithful supporters, we place special emphasis not only on providing physical relief but also on equipping individuals to create sustainable solutions to combat poverty. In all our efforts, we share the Gospel message and support people in growing in their faith.

# CHILDREN'S MINISTRY

In today's fast-paced world, it's easy for our children to feel lost in the digital landscape and overwhelmed by social media comparisons. But what if there were a way to help them find clarity and purpose amidst the chaos? We believe that every child deserves to hear the Gospel. Our mission is to provide every child in Europe and Central Asia with engaging Bible based adventures translated into their own native language.

CBN's animated Bible series Superbook is empowering the next generation with a strong foundation of faith. Available in 30 languages across Europe and Eurasia, Superbook is much more than a television programme; it has evolved into a thriving children's ministry! Parents and children can watch Superbook through the free Superbook Bible app or on YouTube. Churches can utilize the Superbook Academy Curriculum, which includes lesson materials and additional videos to help children deepen their understanding of the Bible and strengthen their faith. Our teams are dedicated to creating resources for parents and supporting families on their journey of faith together!

# PRAY FOR US

***“Don’t worry about anything; instead, pray about everything. Tell God what you need and thank him for all he has done. Then you will experience God’s peace, which exceeds anything we can understand. His peace will guard your hearts and minds as you live in Christ Jesus.”***

***Philippians 4:6 (NLT)***

As a ministry, we rely entirely on the direction, protection and provision of our Heavenly Father. Prayer is the cornerstone of our mission to share God's love in Jesus with a broken world. We truly appreciate you taking the time to read this booklet and learn more about CBN's mission in Europe and Eurasia.

We ask that you remember our volunteers, projects, beneficiaries and staff in your prayers. Your prayers will energize the mission of CBN Europe! Let's passionately pursue God to guide us in opening the right doors, closing the wrong ones, and blessing us with His wisdom, protection, and resources to reach and uplift the incredible people He has called us to serve!

Join us on a journey through Europe, as we stop to thank God and pray for our projects, teams and the people we impact.

# UKRAINE

Since the onset of Russia's war with Ukraine, we have intensified our humanitarian efforts to provide relief to suffering individuals and families. We collaborate with numerous churches to supply food parcels and winter fuel while sharing God's love and hope. In partnership with these churches, we also offer education and life skills to children and youth. # EURASIA

CBN Eurasia represents CBN's ministry to a number of former Soviet Union countries. This region is directed by our CBN Eurasia Director, Olga. It encompasses the Caucasus region (Azerbaijan, Georgia and Armenia) as well as Central Asian countries (Kyrgyzstan, Uzbekistan, Tajikistan and Kazakhstan and Turkmenistan).

For over a decade, CBN has partnered with churches and ministries to share God's love through education, life skills training, micro-enterprise projects and women's ministry. Central Asia is a unique gem within the former Soviet Union, predominantly inhabited by Muslims. Despite its wealth of natural resources and stunning landscapes, many people in this region live in poverty. Women and children are particularly vulnerable, often suffering from violence, abuse and hunger. Through various projects, we offer safe shelters to women and children, helping them heal and recover. Our micro-enterprise initiatives aim to break the cycle of poverty.

In Russia, we coordinate numerous Superbook Clubs in partnership with local churches. These clubs provide children with a Biblical foundation, helping them understand God's love and His plan for their lives. Additionally, the Superbook Clubs offer parents an opportunity to participate, allowing them to learn Bible stories with their children while spending quality time together.

In Armenia and Moldova, we operate training centres in partnership with local churches, offering education and life skills to children, youth and adults.

# EURASIA

## PRAISE AND THANKSGIVING:

We give our Saviour the praise for:

- the opportunity to bring His light into the darkness of the Eurasia region.
- our various partner churches and ministries, and for the lives that have been transformed through their work.

- offering a bright future to children and teenagers, helping them learn to trust in the Lord.
- the pastors and teams in this region who serve as His hands and feet.
- our CBN partners who assisted in translating the Superbook videos into the Uzbek language, which has led to a thriving children's ministry in Uzbekistan.

## PRAYER FOCUS:

Please join us in praying for:

- funding to help us translate the Superbook animated Bible videos into every language spoken in Eurasia. This will enable us to reach and disciple children in their native language.
- the various projects in the Eurasia region that provide education and life skills, helping to break the cycle of poverty. Pray for their provision, protection and for abundant fruit from these efforts.

# EURASIA

- open doors for Christianity in Central Asian countries and for protection over churches and believers in those areas.
- strength for Christians to stand firm in their faith and to share their beliefs with others.
- CBN's Superbook ministry in Russia. Pray for our team to remain encouraged and equipped to continue this essential work. Pray for financial provision to sustain this valuable ministry for children and parents.
